So with all my power, finally  
I finished my work which  
like a summer homework

But because I have to work  
of the day until late, they  
left me behind

Good

some  
other

Good  
Why it  
has to  
be that

Oh

Wow, today we can't get

we want by ship

We  
decided  
with the  
situation

We stay in  
Osaka. Ito  
Sanzen  
Bunkatsu place  
when he made  
his masterpiece

Even though the  
paper already had  
pictures on them.

We are happy  
because we got  
photos and for the  
replacement of  
drawing papers

Thank

Thank

We are

But we played in  
the river near  
people who are  
fishing and  
watch our river

But  
I think  
it's  
very  
beautiful

If I have still  
we won't be  
the Sanzen  
Bunkatsu

But when we go  
home and find  
the donation  
works, we  
realized.
